PULSEPOINT TEXT MESSAGE SERVICE

A way to effortlessly keep your finger on the pulse of your transactions. Brought to you by **Burnet Title**.

PulsePoint is a mobile text message service that alerts you to the real-time status of your active transactions. You will be notified of key milestones throughout the transaction:

- 1 When the order is created
- 2 When the ALTA Settlement Statement will be emailed
- 3 When the closing has been scheduled
- 4 When the transaction has been closed and funded

Just think, no more calling to track your transaction's status! We know you're busy, so PulsePoint will bring your deal status directly to you, real-time.

PulsePoint is available from Burnet Title throughout Illinois. You don't have to lift a finger - if Burnet Title has your cell phone number, you will be automatically enrolled.

For more information, please visit BurnetTitleLL.com. If you have opted out of the service and want to opt back in, send the text "START" to our PulsePoint system phone number 847-582-4445 from your mobile phone device.
